DSOPA AWARDS

ALL parents are invited on the last day of term to watch classes and to attend the award ceremony 12 – 1pm where certificates, medals and trophies will be given out.

This is just to celebrate the children's huge successes this year and to show them how proud we are of their hard work.

DSOPA Future

At Dynamic we hope to continue to grow and have the amazing family we have last for many years to come..

Dynamic started with 33 pupils, many we still have and has grown to triple the size.

This year we hope to perform at Her Majesty's Theatre in London, Disneyland Paris, RAD Ballet Exams, Tap Exams, Dance Competitions and much more

NEXT YEAR'S SHOW

April 2020

We hope to put on our first musical theatre show in the Easter Holidays and have performances spread throughout the week. We have yet to decide on the musical but auditions for parts will take place in June 2019. We are currently looking at Matilda, Shrek, Legally Blonde or Madagascar.

Musicals cost money to perform a musical show legally we have to buy the rights to perform .. so any donations we will be extremely grateful for ☺

We will need a huge team of volunteers ... Costumes, Chaperones, Advertising and Prop Making so if this interests you please let the Dynamic Events Committee know ...

Events Committee Members are:

Helen Ring	Joanne Hickey
Shelley Sanbrook	Richard Melville
Cheryl Minter	Daz Ring

BIG THANK YOU

Our team thank you for everything you do

Shelley Sanbrook – Helen Ring – Emily Partner – Danni Maslen – Katie Silverson – Terri Johnson – Jo Kirby
We Love you

AND TO ALL THE WONDERFUL STUDENTS AND PARENTS WE LOVE YOU

I would just like to say how well our new staff have joined our ever-growing family .. Some of you already know our new team members but for those of you don't I shall introduce you. We have

Chris our new Technique and Competition Squad Teacher who I am delighted to announce will be staying with us after Christmas ... whoop whoop!

Chris is a professional Singer, Dancer and Actor. He trained for three years at Bird College to gain a degree in Musical Theatre. A highly experienced dancer/singer, he brings extensive knowledge of working professionally in the industry having played Brad in Hairspray (Royal Caribbean) and appeared in Sinatra in the West End to name a few. He also has experience in film and television work including modelling.

Claudia was an elite gymnast in Romania for over 15 years, achieving a national title, winning a first overall title and first place on bars at the Romanian National Gymnastics Schools Championships. As a coaching assistant, she has contributed to some of the future elite gymnastic training programs. Her passion for Dance led her to attend Modern dance classes, contemporary dance and show revue workshops.

Since graduating she has been involved in group choreographies, attending several public events. She has extensive experience of teaching Acro. Dance classes to pupils aged between 4 - 17 years old. Working with many incredibly talented students, this experience has reinvigorated her love for Dance and Acrobatics.

Beth trained as an actress obtaining BA Cons in Acting for Stage & Media at London College of Music in 2014. She specialises in Comedy, Improvisation and Musical Theatre. She has been lucky enough to perform all over the world from Camden to Cairo.

She has performed in numerous plays and comedy sketches at the Brighton, Camden and Edinburgh Fringe. After a sellout run at Brighton Fringe she took her own show 'A Glass of Nothingéto to the Edinburgh Fringe in 2017 which was a lifetime ambition of hers. She performed in the original cast of Vagabond Skieséin in 2017, a new musical that premiered with a showcase at The Leicester Square Theatre which will be performed again in 2019. Teaching has always complimented Beth's acting career and she has taught 2.5 - 21-year olds drama, dance, singing and everything in between for the past 5 years. Recently she has started teaching LAMDA and all her students have obtained 100% Distinctions.

Many thanks Megan and the DSOPA Team
