School of Performing Arts Ltd

Dear Parents/guardians and Pupils

Firstly, I would just like to congratulate every student of Dynamic for a hugely successful year ... We have not only had the biggest show we have ever done but performed at numerous events. and had nothing but positive feedback. It means the world to me that they can see how amazing you are.

This year we have grown as a school in not only numbers of children but in staff and pride. I cannot wait to see you all back in September for more exciting stuff to come. I would just like to say thank you to all my staff and parent helpers/chaperones and a special thankyou to Helen ring my co-owner for making this year incredible.

So, enjoy your summer and if I don't see you at summer school I look forward to seeing you in September - Bring on the adventure
