

## **SHOW TIME !!!!!!!!!!!**

Dear Parents/guardians

we are approaching the last rehearsals before the show .The kids have grown so much and are excited to perform for you at this year's show, as teachers we are incredibly proud of how far they have come .... Here are a few last minute bits of information .

Parent Volunteers: We need parent volunteers assist with students at Dress Rehearsal and Performances, whether that's front of house/ serving tea and coffee or helping backstage.

On Stage Dress Rehearsal: This very important rehearsal allows you and your student to have a trial run of the upcoming show on stage. It requires full costumes, make-up and hair done according to your class requirements. It gives you time to fix costumes, make-up and hair if anything went wrong or fell apart. This also allows the music and stage crew to practice their technical cues. To ensure that costumes stay safe for the actual performance, it is important that regular dance clothes or street clothes be worn to and from the theatre. So please **do not miss** this on **Thursday 31st May 2018 at Sir Robert Woodard Academy Lancing** .

Hair and Make-up:

- (Girls Hair) •Two French plaits.. see picture 1 below
- (Girls Make-up) Start with liquid or powder foundation. Wear eyeliner eyeshadow, mascara, blush and lipstick. Enough to outline natural features from a distance and under bright light.
- (Boys Hair) Slick hair back away from face with hairspray or hairgel.
- (Boys Make-up) Use same make-up as girls but substitute lipstick with lip gloss.

Photos and Videos: We will have professional photos and videos for you to order and purchase. Please do not take videos or pictures yourself as we have some children who cannot be photographed. **19th May** we have photos being taken of rehearsals so please make sure all costumes are brought in and hair is done.
